EDUCACIÓN SUPERIOR TÉCNICA Y PROFESIONAL EN EL MARCO DE LA GLOBALIZACIÓN: INACAP

Paulina Dittborn*
Cristián Aedo**

ABSTRACT

This article presents some relevant aspects of the vision and mission of INACAP. It includes a discussion on how the study programs are developed and implemented, a summary of the current international agreements in practice and a brief overview of its history. The article concludes highlighting some of the main challenges that INACAP faces in a global world of educational services.

* Directora Académica de INACAP.
** Subdirector de Estudios de INACAP.
